Disclosure Policies and Accreditation

As a program jointly provided by The American Society for Aesthetic Plastic Surgery (ASAPS) and FSPS, we must ensure balance, independence, objectivity and scientific rigor in our educational activities. All planners, presenters and faculty members are required to disclose all relevant financial relationships with commercial interests in advance of the activity. Anyone who refuses to disclose will be removed. All disclosures are reviewed by ASAPS & FSPS. Conflicts of interest are identified and managed in advance of the activity.

All planners, presenters and faculty members' disclosures will be provided to the audience in advance of the activity and via slides. Additionally, all presenter disclosures will be announced verbally.

Additionally, if any unapproved or off label use of a product is to be referenced in a CME program presentation, the presenter is required to disclose that the product is either investigational or it is not labeled for the usage being discussed. ASAPS & FSPS shall convey any information disclosed by the presenter to the CME program audience prior to the activity. FSPS does not allow commercial interests

to influence the planning of our educational activities. ASAPS & FSPS adhere to the ACCME Standards for Commercial Support.

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The American Society for Aesthetic Plastic Surgery and Florida Society of Plastic Surgeons.

The American Society for Aesthetic Plastic Surgery designates this live activity for a maximum of 21 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity will address the following ACGME/ABMS competencies:

- Patient Care
- Procedural Skills
- Medical Knowledge
- Systems-Based Practice

2018 Program Objectives

After attending this meeting the participants will be able to:

- Describe updates in the sociopolitical system and how it works for the betterment of patient care,
- Identify the latest strategies in facial rejuvenation, including invasive and non-invasive procedures,
- Comply with and take advantage of the new laws affecting plastic surgery that have been enacted in Florida over the course of 2018,
- Implement tips for breast surgery procedures as shared by their peers,
- Review the latest patient safety strategies.
